Private Porto Craft Beer Tour

Gone are the days of limited beer choices in Porto, with only 2 brands on the menu.

Come along and indulge in the finest craft beers that Porto and Portugal have to offer, all in one unforgettable day. This immersive experience includes tastings of 10 beers paired with delicious food.

We'll start by visiting a local brewery, where you'll learn about the craft beer production process and sample 4 different beers straight from their production line.

Next, we'll head to a taproom bar for a tasting of 2 national beers accompanied by a delectable grilled chouriço.

Finally, we'll make our way to a charming beer garden to enjoy 4 more craft beers from their production line, along with some tasty snacks to complement the experience."
